Flowering

BULBS

Wilshire
Gardens*Tuberous Rooted Begonias*

This lovely type of Begonia with its large and exquisite blooms is becoming more popular each year. It grows and blooms in shady places, where other flowers will not thrive. For a long blooming season start the tubers indoors during March. They will be ready to set out in beds, porch boxes, hanging baskets or tubs as soon as danger of frost is over. Or they may be planted directly outdoors if planted in a sheltered place and protected from late frosts. They will bloom continually until the tops freeze down in the fall. Place your order early before colors or types are sold out. Instructions for planting and care will be enclosed with your order.

GIANT SINGLE TYPE—The flowers of this type are enormous, sometimes reaching a size from 8 to 12 inches in diameter. They come in solid colors of white, yellow, pink, rose, salmon, orange, scarlet and dark red.

SINGLE FRILLED TYPE (CRISPA)—This is the most popular of the single types. It has four large petals beautifully ruffled or frilled, these being sometimes overlaid by another set of frilled petals. The colors are the same as in the Giant Single type except that some flowers may have white or cream centers.

CRESTED TYPE (CRISTATA)—A beautiful show type, the plants being covered with masses of flowers having a crested formation on each petal. Comes in solid colors of white, yellow, pink, rose, salmon, orange, scarlet and dark red.

DOUBLE CAMELLIA TYPE—This is the most popular double type, having very large double flowers resembling a camellia or rose. Comes in the above eight colors, also American Beauty, apricot, dark salmon, carmine red, blush, crimson rose, and flame orange.

DOUBLE PICOTEE—Flowers slightly smaller than the Camellia type but of the same beautiful form; two-tone color combinations with the contrasting color at the edge of the petals. Colors: Pink, rose, salmon, apricot and red.

DOUBLE ROSEBUD—Exquisite flowers resembling perfect rosebuds, with beautiful two-tone, pastel-shade coloring. Colors: White, pink, rose, salmon and apricot.

CARNATION TYPE—Full double flower with each petal fringed like a carnation. Colors: Pink, salmon, blush and scarlet.

HANGING BASKET TYPE—The most attractive of the Tuberous Begonias; grown in hanging baskets, pots or tubs, they are very decorative, being covered with great masses of blooms. Colors: White, pink, rose, salmon and yellow.

Each 30c; per dozen \$3.00

TUBERS in the above types and colors are the largest size, measuring 2 inches and over in diameter.

THE GIANT SINGLE, FRILLED, CRESTED AND DOUBLE CAMELLIA may also be had in the next smaller sized tubers. These, too, will make very fine plants and will flower abundantly. Colors: White, yellow, pink, rose, red and mixed. Each 25c; dozen \$2.50

CRESTED TYPE BEGONIA

WILSON'S IMPROVED

Tigridias

(Mexican Tiger Flower)

The gorgeous TIGRIDIA is a tropical flower which can be grown in any section of the United States. It has three richly colored, silken petals surrounding a deep cup usually spotted maroon or blood red. Each bulb develops several clusters of long green buds which open into blossoms 5 to 6 inches in diameter. The bulbs may be planted in any good garden soil containing plenty of humus and will blossom from midsummer until frost.

SCARLET GIANT—This is the rarest and most beautiful of the entire Tigridia family. The blossoms are immense, with scarlet petals surrounding a cup of deep orange entirely without spots. Each 18c; doz. \$1.80.

VAGABOND PRINCE—Pure white petals with an immense cup filled with maroon spots. Giant blossoms. Each 20c; doz. \$2.00.

BUCCANEER—Flashing scarlet petals, deep orange cup filled with maroon spots. Each 16c; doz. \$1.60.

SUNSET GLOW—Petals almost orange in color, with streaks of scarlet from the cup to the edge of the petals. Each 14c; doz. \$1.40.

ROSE KING—Petals of fascinating rose color, white cup with wine red spots. Each 15c; doz. \$1.50.

GYPSY MAID—Clear, shining yellow petals with maroon spotted centers. Each 14c; doz. \$1.40.

CANARY QUEEN—Petals of soft chrome yellow, silken white cup, with the faintest of spots. It sometimes has extra petals so that it appears to be almost double. Each 18c; doz. \$1.80.

MIXED—Per doz. \$1.50.

ORDER EARLY

Because of the difficulty in obtaining sufficient labor during the planting and digging season, there is a shortage in some varieties of bulbs. We advise early ordering. Bulbs will be held until planting time.

Hemerocallis . . DAY LILIES

HEMEROCALLIS grow anywhere and with a minimum amount of care. Varieties may be had to cover a four months blooming season, and in colors shading from palest yellow to deep purple. Order now for early spring planting.

MIKADO

AMARYLLIS	—Large soft yellow. Height 3 ft. Blooming time—July	Each 20c; doz. \$2.00
APRICOT	—Pale cadmium yellow, sweet-scented. 2 ft. May	Each 20c; doz. \$2.00
AUREOLE	—Orange-yellow, 2½ ft. May	Each 20c; doz. \$2.00
BAGDAD	—Coppery red over orange. 4 ft. June	Each 50c; doz. \$5.00
BAY STATE	—Very large flowers, deep glistening yellow. 3 ft. July	Each 35c; doz. \$3.50
CRESSIDA	—Orange with fulvous ring. 3 ft. July	Each 25c; doz. \$2.50

Calla Lilies

WHITE CALLA (*Zantedeschia Aethiopica*)—Large white flowers on 3- to 5-foot stems. Luxuriant dark green foliage. In a warm climate they may be left in the ground for a number of years; in colder sections they may be lifted in the fall and stored until spring or flowered in the house. Dormant shipping season July-August. Order now. Large tubers 35c; medium tubers 25c.

YELLOW CALLA (*Z. Elliottiana*)—A beautiful golden yellow blossom, foliage dark green, spotted silvery white. Very showy. Height 2½ to 3 feet. Each 25c.

PINK CALLA (*Z. Rehmannii*)—Small dainty flowers in lovely rose pink; leaves slender and of lighter green than *C. Aethiopica*. Each 50c.

BLACK CALLA (*Arum Pictum*)—Flower a deep purple, almost black, no scent. Blooms in the spring. Dormant shipping season July to November. Each 50c.

Madonna Lilies

LILIMUM CANDIDUM—The lovely glistening white flowers of this famous lily are seen in many gardens in this country and in England. It blooms in June and early July, the blossoms borne on tall, straight stalks 4 to 6 feet in height. The dormant season is very short. They should be ordered early for shipment in August.

Large bulbs, each 35c; doz. \$3.50
Medium bulbs, each 25c; doz. \$2.50

Tritoma.. Torch Lily

TOWER OF GOLD—A well known variety of Tritoma, is a Burbank origination. The rich golden spikes 3 to 5 feet high make showy exclamation points in any garden. Blooms late summer and fall. Each 35c; 3 for \$1.00.

FREE BULLETINS ON REQUEST

Many of our customers ask for special information and for planting instructions when sending in their orders. We are more than glad to send this information because we are anxious not only that your bulbs give perfect satisfaction the first year, but that they increase in numbers and continue to give you pleasure for many years to come. We have therefore prepared the following bulletins which we will gladly send you if you request them when you send in your order. As the need arises this list will be augmented:

Bulletin No.

- 1—The Year Around With Your Daffodils.
- 2—The Official Classification of Daffodils.
- 3—How to Care for Your Tulips.
- 4—The Official Classification of Tulips.
- 5—Success with Lilies.
- 6—Dutch, Spanish and English Iris.
- 7—Gladiolus Culture.
- 8—Hybrid Montbretias.
- 9—Culture of Callas.
- 10—How to Grow Tuberous Begonias.

YELLOW CALLA

Colchicum

Often called the "Giant Autumn Crocus," the white violet, mauve and rose-purple flowers of the Colchicum appear in September and October, a few weeks after the bulbs are received. The foliage is not produced until the following spring. The bulbs may be left undisturbed for several years, when they should be dug, separated and replanted.

AUTUMNALE—One of the best known smaller flowered varieties. Very free flowering; color soft lilac-rose. Each 25c; dozen \$2.50.

AUTUMNALE ALBUM—White form of the above variety; lovely pure white. Each 40c; dozen \$4.00.

BORNMULLERI—Very large flowers of rose-violet with white center. Early. Each 35c; dozen \$3.50.

GIGANTEUM—Very large soft violet with white center. Each 35c; dozen \$3.50.

LILAC WONDER—Large flowered hybrid of rich rosy-carmine. Each 40c; dozen \$4.00.

SPECIOSUM—Large, light-violet flowers; fragrant and very free flowering. Each 30c; dozen \$3.00.

VIOLET QUEEN—Fine new hybrid of deep purplish violet with white center. Each 45c; dozen \$4.50.

Although Colchicum bulbs are not ready for delivery until August, orders should be placed now.

Sternbergia

STERNBERGIA—The golden yellow crocus-like blossoms of Sternbergia appear in September. They are similar to the Colchicums and are lovely planted with them. Use in rockeries, borders, or in groups in front of shrubbery. Order now for August delivery.

Each 25c; dozen \$2.50

Earlham Large-flowered Montbretias

These are the magnificent new Montbretias which have attracted so much attention the last year or two at the Royal Horticultural Society's flower shows. They are generally much taller and more robust than the old style Montbretia, the flowers much larger, some measuring 3 to 4 inches in diameter. In severe climates spring planting is best. Plant 3 to 4 inches deep in full sun. They need rich, light soil with plenty of moisture. They are beautiful planted in mixture of blending reds, golds, and yellows. Order before April 1st.

HIS MAJESTY—Very large flowers of deep scarlet shading down to gold.

LEMON QUEEN—Cream-yellow with pale center, buds deep orange.

POCAHONTAS—Bright scarlet, crimson center, abundant bloom.

PRINCESS—Brilliant ruby-scarlet, center yellow with crimson blotches.

PRINCESS MARY—Pale yellow petals with red tips, backs tinged red.

QUEEN OF SPAIN—Large flowers of brilliant golden orange.

QUEEN ALEXANDRA—Chrome yellow, scarlet blotch at base of petals.

QUEEN CHARLOTTE—Orange, center shading to primrose and ruby.

UNA—Lovely combination of apricot, orange and crimson.

Large bulbs, each 15c; dozen \$1.50.

MIXED MONTBRETIAS—Doz. \$1.00; 100 for \$9.00.

Summer Hyacinths

GALTONIA—The creamy-white bell-shaped flowers of the Galtonia appear in August and bloom until frost. Stems are 3 to 4 feet with 20 to 30 flowers on a stem. Plant in groups of 3 or more in the perennial border or in front of deep green shrubbery. Culture same as for Gladiolus.

Large bulbs, each 15c; dozen \$1.50

TERMS—We Prepay Delivery Charges unless otherwise stated on all orders for \$2.00 or more. On smaller orders please add 25c to help defray packing cost and postage.

Washington customers will kindly remember 3% retail sales tax. Remittance may be made by check or money order. Stamps accepted on small orders only. Please do not send currency.
